FALL ROUND-UP 2012

SATURDAY, SEPTEMBER 8

MARQUIS DOWNS, SASKATOON

The last race day of the season turned out to be a beautiful sunny afternoon/evening at Marquis Downs Race Track. Our party of Thirty-two (32) enjoyed their choice from one of the best buffets in Saskatoon or something equally appetizing from the menu. The evening allowed veterans, spouses, partners and spouses of departed members a chance to catch up on our summer activities and for some to brag about who will be the first snowbird to fly south!

Saturday night featured the largest crowd of the season as many came to watch and wager on the 8th and Feature Race – The Saskatchewan Derby. As of press time, no one claimed to be a big winner on the thoroughbreds. Peggy Martin won \$78 in the 50-50; Helen McPhail won a sleeve of Taylor Made golf balls (John said she really needed them)!

Special thanks to Eugene Shwydiuk for doing all the footwork and planning of this event. The management at Marquis Downs expressed appreciation for our business. Marquis Downs remains a well kept secret; we look forward to their hospitality again as a future event.
